## FOREWARD

Cricket is one of the rare sports where you spend a lot of time with your teammates. It allows you an insight into different people at a time where you as one and your team collectively are striving for a result. Enjoy and learn from these moments. Your journey in representative cricket is special and I congratulate you on being selected to represent your zone at the North Queensland Alliance Age Group Championships.

This is an important step in Queensland Cricket's pathway and for some of you, an opportunity to go onto further honours.

The Northern Alliance and its Zones are confident that great support staff have been appointed to help you realise your potential and develop your talent so that you can take further opportunities with both hands. Work hard with them to ensure you maximise every opening that you are now presented with.

This book aims to provide you with an overview of information about the championships and prepare you for some of the specifics of a cricket tour. Please make the time to read this book carefully and please do not hesitate to contact your manager or coach if you have any questions as the championships approach.

Finally, win, lose or draw, the learning from the situations you will find yourself in, will develop you as a person and a cricketer. Have fun and all the best.
